

SPONSORSHIP

The Richmond Garlic Fest is a grass-roots festival celebrating our love of garlic and sustainable agriculture. The festival takes place at the beautiful Sharing Farm in the heart of Terra Nova Park, Richmond, and attracts an attendance of 5,000 people from throughout the Lower Mainland. Now in its 14th year, it has become a cherished community event.

The festival takes place on Saturday, August 16th, 2025, from 10 a.m. to 3 p.m. Highlights for festival-goers include live birds-of-prey flying demonstrations, a celebrated children's area, a diverse farmer's market, food trucks with garlic specials, and live entertainment.

All proceeds support the Sharing Farm's work of cultivating nutritious, sustainably-grown produce for community members facing food insecurity.

We are looking for sponsors to partner with to make this festival a success. We offer four levels of sponsorship.
